OLI ONLINE PROJECT AND MARKETING CAMPAIGN

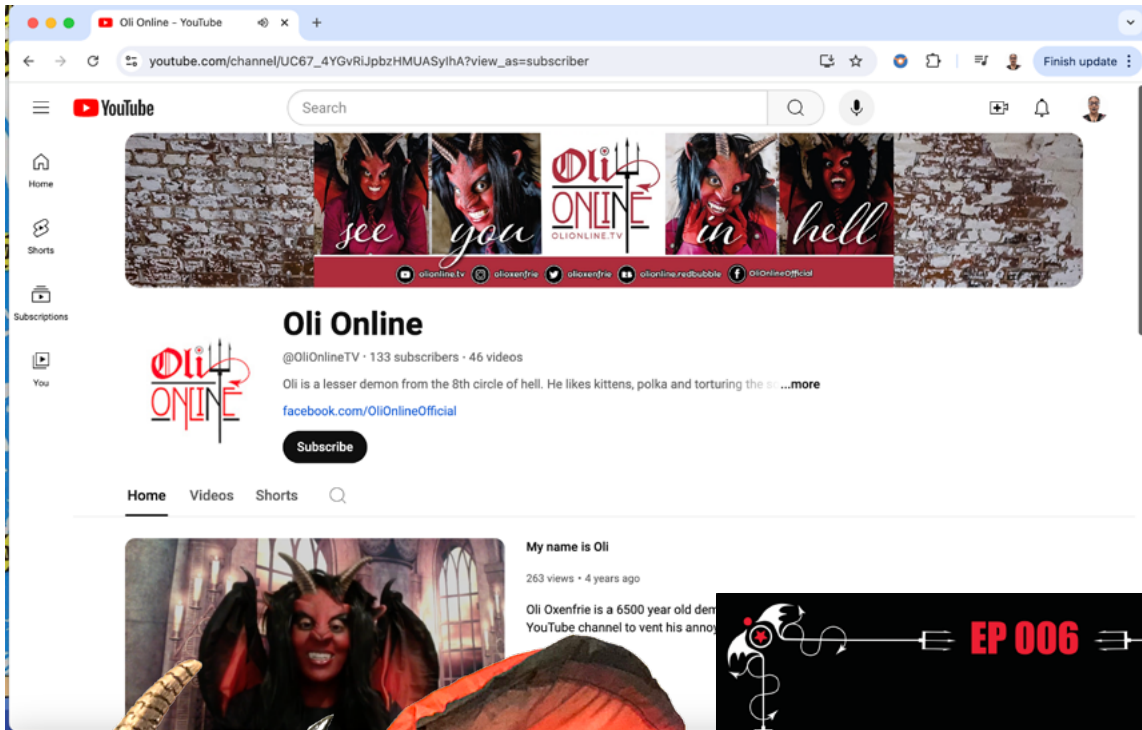

The **Oli Online** vlog ran from March 2020 through January 2021 spanning 40 episodes. Each video detailed a day in the life of the lesser demon Oli Oxenfrie IV.

I came up with the concept for Oli Oxenfrie IV in late 2019. After researching best materials for the costume and makeup, I pulled together the set and came up with a script.

I was a team of one: writer, producer, actor, makeup artist and costumer for the show. I also handled all of the post production and branding involved when it came to the marketing material.

All of the videos are still available to watch at olionline.tv.

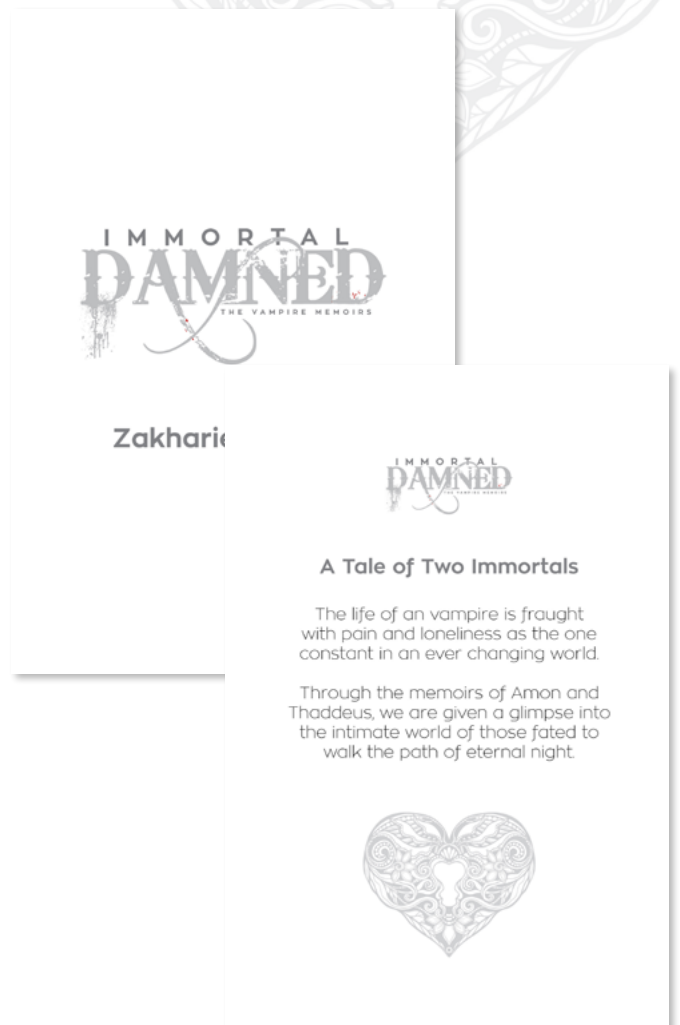

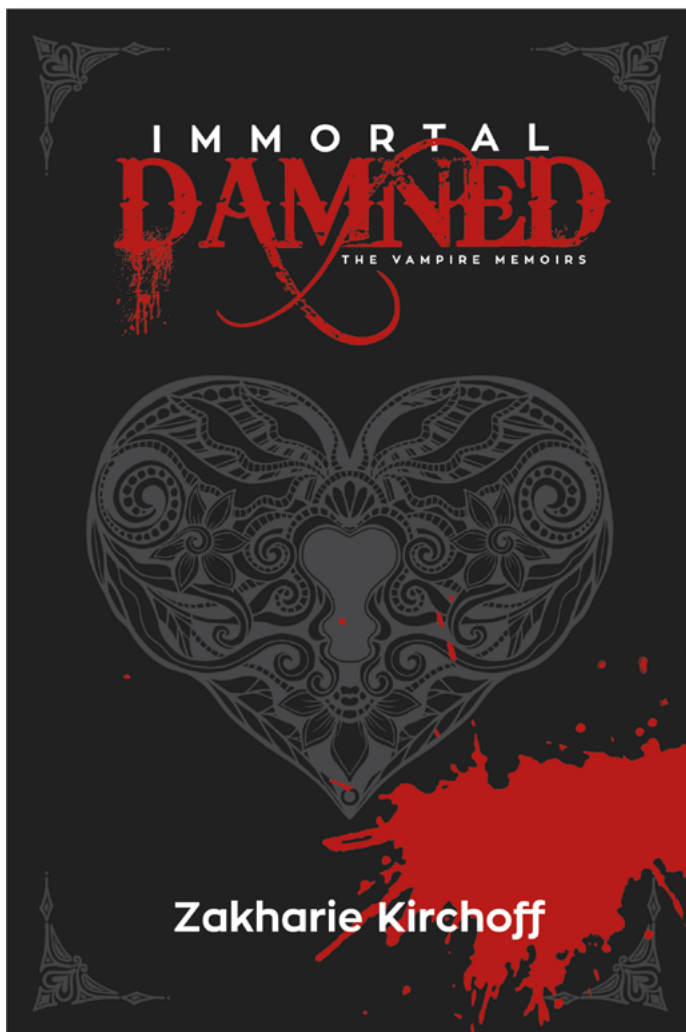

PUBLICATIONS

My chosen pen name for written work is Zakharie Kirchoff. More information at zakharielkirchoff.com.

Immortal Damned: The Vampire Memoirs is my first novel. I wrote, compiled, and designed all elements involved in this publication including the logo and cover design. Available on Amazon Kindle.

IMMORTAL DAMNED

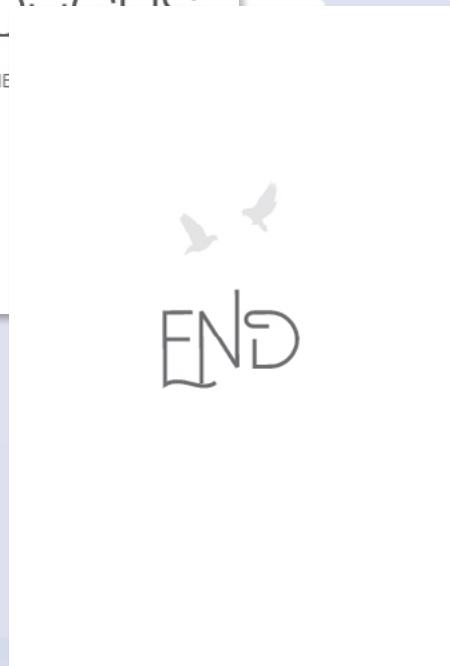

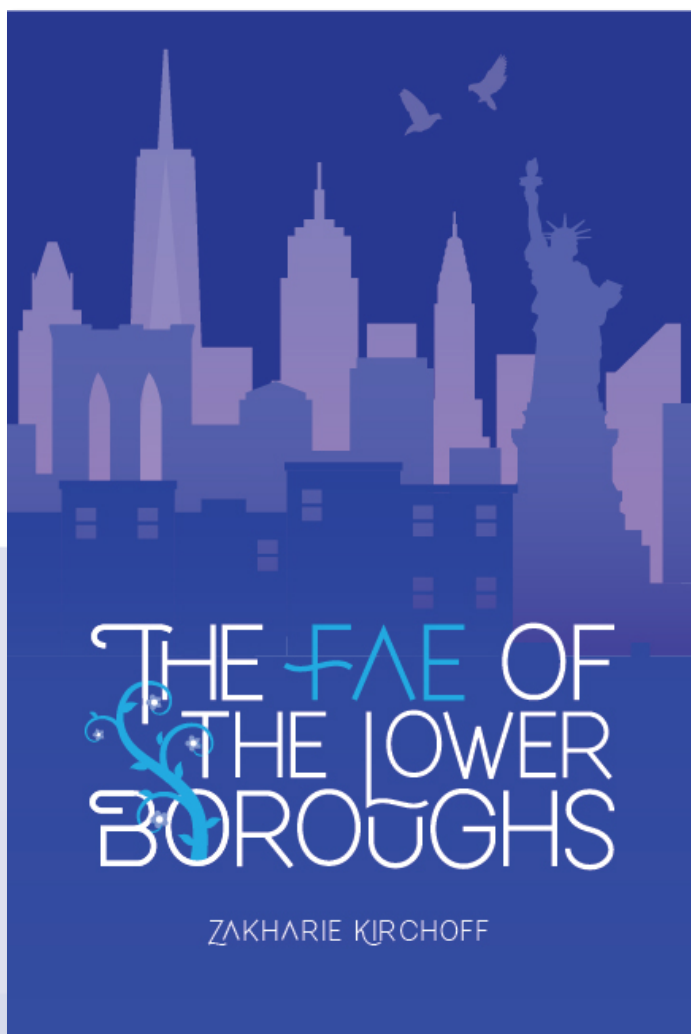

THE VAMPIRE MEMOIRS

The Fae of the Lower Boroughs is my second novel. The subject matter for this novel is completely different than my previous work. This novel took longer to write and was started in 2016.

I wrote, compiled, and designed all elements involved in this publication including the logo and cover design. Available on Amazon Kindle.

keep austin stylish

We threw our cowboy boots and favorite tie-dye tee into a suitcase and made our way to Austin. After spending our Texas days sampling barbecue joints, attending outdoor concerts, and window shopping at a few trendy boutiques, we couldn't help but pick up a little inspiration to incorporate into our latest styles.

We're also bringing our fresh, spirited designs to new categories like kitchen textiles and vegan leather gift items, so there are more ways than ever to bring style home. Every piece is unique, so go ahead and "Keep it Weird" (and stylish) this season.
